Dear Berks County Fair Partner of the Past and/or Future,

As we prepare for this year's The Berks County Fair, it is our honor to offer an opportunity to play an integral part in this time-honored community get-together. Partners, like you, are invaluable to the success of one of the oldest, historical and traditional forms of family entertainment. Your partnership helps to finance all the great events, activities and exhibits offered at the fair. This advertising opportunity demonstrates to the community how you and/or your business are committed to supporting the financial investment needed to keep this rich tradition alive for generations to come.

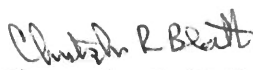

The Berks County Fair will be held July 12 - July 15, 2023 and the partnership form is included in this mailing. Please take a minute to look over the various partnership levels and recognition methods offered.
